Dimensions	144 x 108 x 27 mm
Weight	302 g

## Feature Highlights

### A pocket size for business meeting and personal viewing

- Less than 1 Kg – extremely light and slim
- Native FWXGA (854 x 480) resolution
- 150 lumens
- 30,000 hours LED lamp life maintains consistent display performance

### Act as a portable power bank with Smartphone

- Built-in battery for cable-free, long time lasting usage
- Power Bank extends operating time

### Enable wireless projection

- Mirror display via Miracast™
- Digital home multimedia sharing – DLNA
- HDMI® digital connectivity

### Enhanced audio performance

- Built-in a powerful 4W stereo speakers

### MHL™ connectivity

This projector supports MHL™ connectivity (via an MHL™/HDMI® port), which means it can display uncompressed HDMI® audio/video from any smartphone or mobile device that supports MHL™. This projector will also charge the battery of the connected mobile device. The user can also wirelessly connect this projector to such a mobile device by inserting Acer's unique MHL™ wireless adapter into the projector's MHL™/HDMI® port. In this way, this projector can wirelessly display the audio/video content of any device that supports Miracast™ Wi-Fi Display, WiDi Wireless Display or DLNA.

### Acer ColorSafe II

Acer projectors that feature ColorSafe II are virtually immune to color decay — the yellow or green tint of images displayed by some projectors that have been used for extended periods of time. Acer projectors with ColorSafe II take advantage of DLP® technology and Acer's unique optics-based color-compensation technology to guarantee picture integrity even after prolonged use. The resulting extended lifespan and consistent image quality lower the total cost of ownership.

**BUILT-IN  
SPEAKER**

### Built-in Speakers

Two built-in speakers enhances presentations and video entertainment with nice sound.

### Acer EcoProjection

Acer EcoProjection with ExtremeEco is a complete environment-friendly power management solution that reduces standby power consumption by up to 70%. Also featured in the Acer EcoProjection suite is Acer ePower Management for customized power-saving configurations.

## About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2012 revenues reached US\$14.7 billion. Please visit [www.acer.com](http://www.acer.com) for more information.
