Optional Accessory

Ceiling Mount
CM-01S

Ceiling Mount
CM-02S

Brightness

4,000 lumens high brightness

4,000 lumens high brightness provides the ability to project crystal clear, vibrant images from a long distance on a large screen even in daytime indoors.

Resolution

Full HD (1920 x 1080) resolution

1080p (1920x1080) is a set of HDTV high-definition video modes. With the superb clarity of available 1080p Full HD, you'll enjoy exceptional details no matter on Blu-ray movies, video games or business presentation.

Digital Connectivity-HDMI™ (Dual)

Dual HDMI™ ports deliver uncompressed digital signals and multi-channel audio, providing easy connectivity to high-quality HD broadcasts or entertainment.

24/7 Operation

24/7

X1527HK supports 24 hours-7 days of continuous projection when prolonged periods of use is required. This is especially useful for public display or museum exhibition.

About Acer

Founded in 1976, today Acer is one of the world's top ICT companies and has a presence in over 160 countries. As Acer looks into the future, it is focused on enabling a world where hardware, software and services will infuse with one another to open up new possibilities for consumers and businesses alike. From service-oriented technologies to the Internet of Things to gaming and virtual reality, Acer's 7,000+ employees are dedicated to the research, design, marketing, sale, and support of products and solutions that break barriers between people and technology. More information is at www.acer.com.
