

# HD6 WIRELESS

## COMPLETE BLUETOOTH SOUND SYSTEM

### EVERY APP, EVERY DEVICE

WIRELESS THAT REALLY WORKS

HD6 Wireless Speakers are not just another great-sounding Audioengine speaker but a complete Bluetooth music system that works with all your apps, music, and devices (even your favorite turntable). Blending the best of the past and present, HD6 combines stunning good looks with truly-useful features.

Tidal, Spotify, Pandora...all your favorite streaming apps play instantly.

No matter how you listen, the HD6 Wireless Speakers has you covered.

# FEATURES

## EVERY APP, EVERY DEVICE

### WIRELESS THAT REALLY WORKS

Wireless music system that seamlessly works with all your apps, music, and devices. Wireless Bluetooth range 100+ feet.

### SMALL SPEAKERS, BIG SOUND

Clear, full and powerful audio that fills any room.

### SET UP IN SECONDS

#### SIMPLE. NO HASSLE. EASY TO USE.

No network to setup, passwords to create, buttons to push, and inputs are always ready to go.

### GO OLD SCHOOL

#### ANALOG, BABY

Class A/B analog amps sound incredible compared to cheaper digital amps found in other mass-produced brands.
