for home cinema and AV solutions

## PRODUCT DESCRIPTION

The celexon Adjust-V4670L is a motorised, height and tilt adjustable trolley for 46" - 70" displays. It can be used to mount a display in the conventional way, or in a horizontal 'table mode'. It provides a load capacity of up to 120kg and is ideal for use in conference rooms, schools and universities. This high quality aluminium trolley can be height adjusted very easily using the remote control provided. The robust steel frame manoeuvres easily and safely with its heavy duty castors.

## KEY FEATURES

- Electric height and tilt adjustment via remote control (70cm)
- 500mm height adjustment and 90° tilt in table mode
- Floor to top of display trolley in standard mode: 1175-1675mm
- Floor to mid of display trolley in standard mode: 840-1340mm
- Floor to top of display trolley in table mode: 890mm
- Colour: RAL 9006 white aluminium
- Suitable for 46" - 70" displays
- Max load up to 120kg
