PRODUCT DESCRIPTION

The PS Ultra Flat ceiling mount combines practical functionality with a sleek and unobtrusive design. Its slim design allows for as little as 62mm drop between the ceiling and the projector, making it almost invisible. The PS Ultra Flat ceiling mount will fit almost all standard projectors. The snap-on system allows for quick and easy access to the projector and is supplied with a padlock to prevent the risk of theft. This ceiling mount has a 360° rotation and a 15° tilt, enabling the user to align the projected image with the screen perfectly.
