PB 150 Display-trolley

Plasmaboy trolleys are supplied with a variety of options, which include an universal display interface, a number of accessory trays and a handlebar for easy manoeuvring. The universal display interface strips fit on both, the trolleys PB 175, PB 150 and PB 100 as well as the desk support PB 050. This means that displays can easily and quickly be moved between mounting locations.

Features

- 3 accessory trays
- Basic/ economy model
